I am a white male citizen of the United States, and reside at number 1347 Taylor Street, San Francisco. I am a regularly graduated, licensed and practicing physician and surgeon, with offices at number 514 Kearney Street, San Francisco. I know LEW KIN, whose photograph is attached to this affidavit. His fathers

name was LEW JEW and his mothers name was LEE SHEE.

LEW KIN is an assistant in my office. I have known him a great many years. I know he was born in San Francisco. His relatives have often told me this years ago.

I was a witness for the said LEW KIN in the habeas corpus proceedings in the United States District Court, Northern District of California, in the matter entitled "The United States of America vs. Lew Kin, No. 3970", in December 1901. I was a witness to prove he was born in San Francisco. The record in that proceeding is attached to this affidavit and the application of Lew Kin for a passport. The Lew Kin who was declared to be a native born citizen of the United States in that proceeding is the same Lew Kin whose photograph is attached to this affidavit, and who is now applying for a passport. I have known him nearly all his life.

I was a witness with Doctor Buckley in the habeas corpus proceeding in the United States District Court numbered 3970 in which it was decided that Lew Kin was a native born citizen of the United States. Dear Sir:

Enclosed please find my application for passport. The only question in filling out the blank arises from the fact that I was born in Madura South India, where my parents were engaged for several years in foreign missionary labors, under the American flag and retaining American citizenship. I returned with the family when five years old and have lived in the United States thirty two years, having voted in New York for the last sixteen years. I send this explanation with my application for passport, and enclose the fee.

Respectfully,
